Hi Undine-

Yes - I have a call in with MBTA and team of contractors to discuss the feasibility of your request for flow meters on Thursday. Can we schedule time to speak on Monday? Or do you suggest we have a meeting with all parties to discuss or put it in writing?

Hi Clary,

Apologies for the radio silence. I hope you're well.

Is regular monitoring for the MBTA CRMF effluent (under permit MA0003590) now being conducted at DMH 13.4?

Thanks,
